

# 20 26

# OVERVIEW

EducaSure is a QCTO-accredited skills development and higher-education provider delivering regulatory exam training, FAIS credit qualifications, and SAQA-registered occupational certificates across multiple faculties. Our programmes are designed for working professionals and new entrants seeking occupationally focused, credit-bearing qualifications.

## QCTO ACCREDITATION

### Skills Development Provider

No. 07-QCTO/SDP240223105445

## B-BBEE STATUS

### Level 1 Contributor

Operating nationally since 2018

## WHY EDUCASURE

- **Occupationally focused** — credit-bearing qualifications aligned to real workplace roles.
- **Nationally recognised** — registered on the NQF and aligned to the QCTO/SAQA frameworks.
- **Flexible delivery** — fully online and blended learning for professionals and new entrants.
- **Regulatory expertise** — RE exam preparation and FAIS credit qualifications.

# OUR FACULTIES

## Insurance & Finance

01

Long-term & short-term insurance, underwriting, claims, investment and benefits advisory, RE exams.

## Accounting & Compliance

02

Organisational risk practitioner and tax professional occupational certificates.

## Banking

03

Occupationally aligned programmes supporting careers across the banking sector.

## Business Management & Economics

05

End user computing, technical support, systems development, data science and software engineering.

## Health & Wellness Sciences

06

Occupational health & safety and quality practitioner qualifications.

## Extended & developing offerings

Cross-functional short courses and skills programmes that support broader career pathways.

Livestock farming and crop produce analyst occupational certificates.

## ▼ WHO SHOULD ENROL

- **New entrants** seeking an occupational route into insurance, investment, claims or benefits advisory roles.
- **Practising professionals** needing FAIS credits, regulatory exam preparation, or formal SAQA-recognised upskilling.
- **Employers** seeking workplace-aligned training and accredited skills development for their staff.

## ▼ DELIVERY, ASSESSMENT & RECOGNITION

### **Delivery**

Fully online and blended learning, with regulatory exam preparation, workplace assessment and credit accumulation toward SAQA/QCTO occupational certificates.

### **Assessment**

Competency-based assessments aligned to occupational standards and external quality-assurance requirements.

### **Recognition**

Qualifications registered on the NQF and aligned to the QCTO/SAQA frameworks — ensuring national recognition and portability within South Africa's skills system.

All our occupational qualifications run **two intakes each year** — classes start in **September** and **March**. Submit your application within the relevant window below.

## Two intakes per year

-  **September intake**      Classes start September. Applications open 1 June – 15 August.
-  **March intake**      Classes start March. Applications open 1 October – 31 January.

### Required documents checklist

- Completed application form
- Certified ID or passport copy
- Proof of highest qualification (certified)
- Curriculum vitae
- Employer letter (if employer-sponsored)
- Proof of payment or funding confirmation (where applicable)
- Programme-specific prerequisites (e.g. prior credits, regulatory registrations)

# ▼ HOW TO APPLY

- 1 Submit the application form and all documents to the admissions email or online portal.
- 2 The admissions team confirms receipt, advises on any missing items, and issues an acceptance letter once your file is complete.
- 3 Orientation details and class timetables are sent approximately 7–14 days before classes start.

## Late applications & exceptional cases

Late submissions received after the one-month deadline are considered only if capacity allows and with written approval from the programme manager. Conditional enrolments (missing non-essential documents) may be allowed for up to two weeks after the deadline; essential documents — ID and proof of qualification — must be provided before classes commence.
